“The High Priestly Prayer of Christ”

Observing the text

What are the things that Jesus referred to in John 17:13 that He had spoken in the world?

What did Jesus mean when He spoke of His disciples' joy being made full in themselves by the things He had spoke?

Why would the words that He had given His disciples cause the world to hate them?

What did Christ mean when He asked His Father to keep His disciples from the evil one?

Applying the sermon

What joy do you find in being obedient to God's Word?

What joy do you find in being obedient to Christ's command to go and make disciples?

How serious of a concern should it be to us if we as a professing disciple of Christ are not finding joy in the making of disciples?

Why do you believe that Satan is active in seeking to discourage Christ's disciples from seeking to share the truth of the gospel?

In light of your above answers are there any changes that you need to make in your life?
