

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from January 27, 2008**

**“The Christmas Story From Paul’s Perspective”**

**Observing the text**

Write out as many observations as you can from Philippians 2:8.

How did Christ humble Himself according to Philippians 2:8?

How did Christ suffer at the hands of men on the cross (John 19:17-37)?

How did Christ suffer in terms of His relationship with His Father (Matthew 27:45-54)?

**Applying the sermon**

Would you consider yourself a humble person?

In what ways has your humble spirit been demonstrated in your service to others?

Can a person actually consider themselves a humble person without being devoted to service?

In what ways can you, in your present circumstances, demonstrate humility in your quest to serve others?
