“The High Priestly Prayer of Christ”

Observing the text

Read John 17:17-19 and make as many observations as possible. How do these verses fit with what came before?

What did Christ mean when He asked His Father to sanctify His disciples?

What did Christ indicate would be the means of their sanctification?

What did Christ mean in John 17:19 when He spoke of sanctifying Himself?

Applying the sermon

Do you believe that it is important to take your mission of seeking the lost seriously? Why?

How do the choices you make demonstrate that you are taking your mission seriously?

What are your greatest challenges in performing this mission better?

How should you be praying in light of your current challenges as well as your current opportunities? Are you in fact praying this way?
