“The High Priestly Prayer of Christ”

Observing the text

Read John 17:24-26, and make as many observations as possible.

How do these verses fit into the flow of the passage?

What did Christ mean when He said that He wanted His disciples to see His glory?

What was the significance of Christ’s reference to “the foundation of the world?”

How would Christ make His name known to His disciples?

Applying the sermon

How would you describe the Father’s love for His Son?

Have you accepted the fact that, in Christ, the Father loves us in the same way as He loves His Son?

How can this knowledge impact our present life here on earth?

How should this knowledge impact our assurance of one day being with Christ and seeing His glory?
