“The Arrest of Christ”

Observing the text

Read 1 Corinthians 15:1-8 and list the individuals that Paul tells us who saw Christ after His resurrection.

Read John 20:19-29 carefully and note the quality of the disciples’ interaction with Christ.

Read 1 Corinthians 4:9-13 and consider all the various ways that the apostles of Christ suffered as a result of their proclamation of the resurrection.

Applying the sermon

Do you believe that Christ rose from the dead?

In what ways has your belief in the resurrection changed the way you live?

Look at the changes that have occurred in your life because of the resurrection and then look at the changes that occurred in the apostles’ lives because of the resurrection and note any differences.

Is it possible for us to proclaim the resurrection of Christ with as much determination and passion today as the apostles when they were alive?
