“Facing the Challenge of Parenting”

Observing the text

To what does Paul refer when he speaks of the flesh?

How do people turn their freedom into an opportunity for the flesh?

Who is Paul speaking to in Galatians 5 and how does that relate to 5:13-15?

How is the entire Law summed up on "you shall love your neighbor as yourself?"

Applying the sermon

What ways are you tempted to yield to your fleshly desires?

How do you serve others?

What evidence testifies to your motivation being from love?

Have you seen God's people bite and devour one another? How could that have been prevented?
