“Righteousness Directed By The Spirit”

Observing the text

Identify the commands in 1 Corinthians 16:13-14.

What are the various things that we are to be alert to according to the New Testament (Mark 14:38; 2 Timothy 4:3,5; 1 Peter 5:8-9; Revelation 3:1-3)?

What does it mean to stand firm in the faith?

What does it mean to act like men?

Why did Paul conclude the list of commands with the command to do all things in love?

Applying the sermon

Why is it important for the spiritual welfare of your family to be in close intimate personal fellowship with like-minded believers?

Do you believe that you and your family are presently as close as you need to be to the members of our church? If you believe that you need to get closer, what are the steps that you will need to take in order to make it happen? Describe those steps.

If you encounter difficulty, how determined will you be to maintain your efforts. How determined do you believe you should be?
