

*Valley Bible Church – Sermon Study Questions*

**Study Aid for the Sermon from June 22, 2008**

**“Righteousness Directed By The Spirit”**

**Observing the text**

Read John 19:1-7 and make as many observations as possible.

How does this fit in with what came before?

Why did Pilate scourge Christ in John 19:1?

After the scourging, why did Pilate present Christ to the multitude with the words, “Behold the man?”

Why did the Jews not respond to Pilate’s offer to turn Christ over to them for crucifixion in verse six?

**Applying the sermon**

What are the promises of the world that seem most easily embraced?

How do those promises compare to the promises of Christ?

What promises of Christ are the most special to you?

How are you building your life on those promises?
