

Valley Bible Church - Sermon Study Questions

**Study Aid for the Sermon from July 13, 2008
“Christ Before Pilate”**

Observing the text

Read John 19:8-16 and make as many observations as possible.

Why did Pilate become even more afraid?

Why did Jesus not respond to Pilate’s question in John 19:9?

What did Jesus say or do that caused Pilate once again to try and release Jesus according to John 19:12?

Why did Pilate ask the Jews in John 19:15, “Shall I crucify your king?”

Applying the sermon

What are the cares of this world that you value the most?

Do you believe that you have committed yourself and those cares to the Lord?

How would you know that you have committed those cares to the Lord?

What promises of Christ can you embrace that will help you release those cares to the Lord?
