### **Study Aid for the Sermon from February 15, 2009 Biblical Financial Management**

#### **Observing the text**

Why are Christians not morally obligated to pay tithes prescribed in the Mosaic Law (Romans 7:1-6)?

How should we determine how much we are to give (1 Corinthians 16:1-2; 2 Corinthians 9:7)?

What should our attitude be when giving (2 Corinthians 9:7)?

Where should we give (1 Timothy 6:17-18, cf. Luke 10:25-37; 1 Corinthians 9:11,14; 1 Timothy 5:8, 17-18; James 2:14-17)?

#### **Applying the sermon**

Evaluate how you are presently managing your finances. How do your present spending priorities match with the biblical priorities?

How is your wholehearted commitment to Christ manifested in your financial management? Please ask God for the will to make wise financial decisions in light of this commitment.

How serious are you about giving regularly based on your income? Please ask God for the will to make wise choices in your plans for giving.

What is your attitude in your giving? How willing and cheerful are you in your giving practices? Please ask God for the will to give with the proper attitude.
