Observing the text

How was the crippled man healed, according to Acts 3:16?

Why would Peter consider Israel acting in ignorance when they had the abundance of Old Testament prophecy about Christ?

From the context, what do you think the “times of refreshing” refers to in Acts 3:19-21?

Why does Peter reference the prophets in Acts 3:21-25?

Applying the sermon

Do you believe that God raised up His servant, Jesus Christ, to turn you from your wicked ways?

Have you repented that your sins are wiped away? How sure are you of this and why?

How is your sense of forgiveness related to your sense of your sin? How have you developed in your appreciation for the gravity of your sinfulness?

When you speak with people about Jesus to what degree does the conversation include their sin?
