

## *Valley Bible Church - Sermon Study Questions*

### **Study Aid for the Sermon from June 5, 2011 “Personal Benefits of Grace Giving” 2 Corinthians 9:8-10**

#### **Observing the text**

Read 2 Corinthians 9:8-9, and make as many observations as possible. How do these verses fit into the flow of the text?

What is the significance of the phrase “all grace?”

What does Paul mean by the phrase “having all sufficiency in everything?”

What does Paul mean by “an abundance for every good deed?”

#### **Applying the sermon**

What do you believe is the primary reason why professing believers do not give generously and cheerfully?

What should be our motivation to give?

How do your giving practices manifest an attitude of generosity and cheerfulness?

How does God view someone who is giving generously but not cheerfully?

If you are not a generous and cheerful giver, what do you need to do?
