**Study Aid for the Sermon from December 30, 2012
Worship: The Key to Living the Abundant Christian Life
Psalm 36:6-8**

Observing the text

Read Psalms 63:6-8 carefully, and make as many observations as possible. How do these verses move into the flow of the text?

Where was David when he wrote these verses?

When David was meditating, who was he thinking about?

How did those thoughts impact his relationship with God?

How did David see his relationship with God benefitting him?

What does God's right hand symbolize (Psalms 16:8, 17:7, 18:35 & 20:6)?

Through whom is God's strength and power supplied to us (Ephesians 3:15-16)?

Applying the sermon

How will the strength of God be supplied to those who worship Him so that they might do the will of God?

Why is the worship of God important in walking away from sinful choices?

In the past, how has God's strength helped you to do His will?

What offerings might you be able to give up to God now, that might help protect you from future struggles with sinful choices?
