

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from January 13, 2013  
The Ministry of Philip to the Ethiopian Eunuch  
Acts 8:25-40**

**Observing the text**

Why is this account of Philip's ministry to the Ethiopian eunuch included by Luke in this book?

What can you learn about the Ethiopian eunuch?

Why did Luke note the angel speaking to Philip (8:26) and the Spirit speaking to Philip (8:29; cf. 8:39)?

What is the significance of the passage that the Ethiopian was reading?

What can be observed from this text about baptism?

**Applying the sermon**

How does your eagerness in seeking for God's truth compare to the Ethiopian Eunuch?

How willing have you been to take the initiative to help people understand about God?  
What type of people do you struggle to communicate with about Christ?

How well are you able to communicate the gospel of Christ to someone who is seeking the Lord? How can you improve your ability?

Have you been baptized? If not, take the initiative to speak with someone in our church about this matter.
