Applying the sermon

Recall a time when you were fearful of doing the Lord's will. How did you respond?

How has the increased knowledge of God and His will allowed you to walk in faith instead of fear?

How involved are you in the task of relationally connecting new believers to the local church?

Have you been baptized? What is delaying your response to God in this? Speak to a church leader about this if you believe this is God's will for your life.
