

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from April 21, 2013  
Christ is Superior to the Prophets  
Hebrews 1:1-2**

Read Hebrews 1:1-4 and make as many observations as possible.

Who made the “world” in verse 2?

“Through whom” did He make the world?

How did God the Father and God the Son work in tandem with each other to make the world? Read John 12:44-50.

Describe how they did it according to Genesis 1:3-31.

What is the importance of all this in respect to Hebrews 1:1-4.

**Applying the sermon**

What do you believe about the origin of the universe?

If you believe that God made the universe through His Son, how might that belief impact your view of God and His Son?

If you believe that God made the universe through His Son, how might that belief impact your sense of responsibility to God and His Son?

If you believe that God made the universe through His Son, how might that belief impact your personal worship?

If you believe that God made the universe through His Son, take some time now to contemplate that universe and ask God to use that contemplation to expand your awe of Him and His Son to increase your sense of responsibility to Him and His Son and to cause you to whole heartedly bow before Him in worship.
