

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from June 26, 2013  
The Conspiracy Against Saul in Damascus  
Acts 9:19-25**

Why did Saul remain in Damascus after his conversion?

What is the significance of Saul's words in Acts 9:20?

How do you think Paul sought to prove that Jesus is the Christ?

What did you learn about those who helped Saul in Acts 9:25-26?

**Applying the sermon**

How often do you fellowship with fellow believers in Christ? How does that compare to the disciples in the early church?

How committed are you to communicate that Jesus is the Son of God? Why do you find yourself reluctant?

In what way have you seen yourself continuing to increase in your ability to prove that Jesus is the Christ? How could a person strengthen this ability?

Are you committed to the cause of Christ, to follow him regardless of the consequences? If not, take time to consider the significance of Jesus Christ to you.
