

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from July 21, 2013**  
**The Restoring of Aeneas**  
**Acts 9:32-35**

**Observing the text**

What do you know about the place where the healing of the paralyzed man occurred?

What can you learn about Aeneas from this passage?

How does this healing compare and contrast with the healings of Jesus?

Why is this miracle included by Luke?

What was the result of this miracle and why is this significant?

**Applying the sermon**

How has the consideration of the healing of Aeneas helped your evaluation of modern claims of miraculous healing?

Why do you suppose people who know less information about Christ can often be most responsive to the work of God?

Have you turned to the Lord in faith, or do you remain unwilling to accept His authority over your life?

How active are you in helping people turn to the Lord in faith?
