

## *Valley Bible Church - Sermon Study Questions*

### **Study Aid for the Sermon from September 22, 2013 Christ is Superior to the Angels Hebrews 1:13-14**

#### **Observing the text**

Read Hebrews 1:13-14 and make as many observations as possible. How do these verses fit into the flow of the passage?

What is the contrast that the author established by the use of the word “but” in verse 13?

What Old Testament passage did the author quote to drive home that contrast?

What is the significance of Christ being asked by His heavenly Father to sit at His right hand?

How long did Christ's Father indicate that He would be sitting?

What is the significance of the word “footstool?” Read Joshua 10:24.

#### **Applying the sermon**

Do you believe that when you are spiritually under attack, God is aware of the dangers you are facing?

If you believe that God is aware of those dangers, do you believe that He would want to protect you?

How does God protect us by using angels?

When have you felt under spiritual attack? Did you find yourself asking God for help?

How does it comfort us to know that if it became necessary, God would send His angels to protect us?

Please take the time now to thank Him for His concern and abundant care for you.
