

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from October 27, 2013 Christ is Superior to the Angels Hebrews 2:3-4

Observing the text

Read Hebrews 2:1-4 making as many observations as possible. How does Hebrews 2:3-4 fit into the flow of the passage?

Explain how the message of salvation was spoken through the Lord.

How did the author represent himself and his readers regarding their hearing the message of salvation from the Lord?

Who might have been some of those that heard the message of salvation from the Lord?

Why did the author, as well as his readers, believe the message of salvation that was delivered to them by those who had heard?

Applying the sermon

How do miracles confirm the validity of the eye witness accounts?

Why will those who have chosen to neglect the message of salvation that was first spoken by Christ and then confirmed by eyewitness accounts and miracles not escape judgment?

If you believe that you are neglecting the message of salvation, what can you do to change this?

If you do not know what you can do about it, are you willing to purpose yourself to get help? You can get that help by speaking to Dale, by filling out the VBC information card indicating you need help and then putting it in the offering box, or by calling the church office during the week.
