Read Hebrews 2:6-8 carefully making as many observations as possible. How do these verses fit into the flow of the text?

What was the author trying to communicate in verse 6 when he said, "But one has testified somewhere?"

What Old Testament passage was being quoted in verses 6-8?

What does the phrase "Son of Man" refer to in verse 6?

How was He made a little lower than the angels?

What did the author mean that God has put all things in subjection under His feet in verse 8?

#### **Applying the sermon**

When you take the time to contemplate all that God has created how do you feel about yourself in light of God's creation?

How does this make you feel toward God when you consider that God's intention for you in the world to come is to co-reign with Christ?

How does this feeling toward God make it easier for us in spite of your present circumstances to live your life in a manner pleasing to God?

How does this understanding of our future position that true believers in Christ have, affect your present view of your fellow brothers and sisters in Christ?
