

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from December 22, 2013 Christ is Superior to the Angels Hebrews 2:10

Observing the text

Read Hebrews 2:10-13 carefully and make as many observations as possible. How do these verses fit into the flow of the passage?

Who is the subject of verse 10?

What is the significance of the word “fitting?”

What is the significance of the word “author?”

How was the author of our salvation perfected through sufferings?

Applying the sermon

How did God’s orchestration of the suffering and death of His Son bring many sons to glory?

How did God, through the suffering and death of His Son, make it possible for His Son to become the trailblazer of salvation?

If God through the death of His Son had not perfected Him and brought His mission of death to completion, what would have been the result?

Why should the thought that God the Father orchestrated the death of His Son so that others, such as ourselves, might follow His Son into His very presence humble us before Him?

In light of what God the Father has done for you through the death of His Son, how is your humility before Him presently manifested?
