

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from January 12, 2014 Christ is Superior to the Angels Hebrews 2:11-13

Observing the text

Read Hebrews 2:11-13 carefully and make as many observations as possible. How do these verses fit into the flow of the passage?

Who is the author referring to when he speaks of the One “who sanctifies?”

Explain how the Sanctifier and those sanctified could be considered as having come from the same Father?

What is the significance of the sanctified having come from the same Father?

How did the author use Old Testament Scriptures to support what he had been saying about the solidarity between sanctifier and those sanctified?

Applying the sermon

Do you have a brother or sister who is particularly important to you?

When you answered the above question did you consider Jesus as a possible answer? Why or why not?

Why would Christ consider you His brother or sister?

If you believe that Christ would consider you His brother or sister do you believe that He would consider you important?

How comforting is it for you to know that if you have exercised faith in Christ and have in fact become His brother or sister that you are very important to Him?
