

Valley Bible Church - Sermon Study Questions

**Study Aid for the Sermon from February 16, 2014
Christ is Superior to Moses
Hebrews 3:16**

Observing the text

Read Hebrews 3:1-6 carefully making as many observations as possible. How do these verses fit into the flow of the text?

What is the significance of the word “consider?”

Why did the author want his readers to consider Christ in relationship to Moses?

What was the significance of comparing a house to the builder of the house?

What was the significance of comparing a servant in his house to a son over his house?

Applying the sermon

Why do you believe that it is difficult for professing believers to remain faithful to God the Father?

Why do you believe, based on Hebrews 3:1, that the help that God the Father has supplied for us is His Son, “the apostle and high priest of our confession?”

How are you being obedient to the command in Hebrews 3:1 to consider God’s Son?

If you are not remaining faithful to Christ, take a moment to pray about this.
