Christ is Superior to Moses
Hebrews 4:1-2**

Observing the text

Read Hebrews 4:1-13 and make as many observations as possible.
How do these verses fit into the flow of the passage?

What is the significance of the word “therefore” in verse 1?

What is meant by “let us fear,” and why did the author call his readers to be fearful?

What was the “rest” that the author was referring to in verse 1?

What was the good news the author referred to in verse 2?

What is the key for unleashing the blessings of the good news?

Applying the sermon

How do those who have truly experienced faith in Christ know that they have entered into His rest?

Are you presently experiencing difficulties? If so, what are they? In spite of those difficulties how are you enjoying God's rest?

If you are not enjoying God’s rest in the midst of those difficulties what is the problem?

If you are not enjoying God’s rest in the midst of those difficulties what are you going to do about it?

If you are enjoying God’s rest in the midst of those difficulties take this time now to thank Him for the rest that He has provided you through faith in Christ.
