

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from January 25, 2015 An Anchored Hope Hebrews 6:13-15

Observing the text

Read Hebrews 6:13-20 and make as many observations as possible. How do these verses fit into the flow of this passage?

What was the promise that God made to Abraham (cf. Genesis 22:16-18)?

Why did God swear by Himself when he made the promise to Abraham?

How did Abraham obtain the promise?

Applying the sermon

Why should we expect all professing believers to persevere to the end?

How should we view those professing believers who under testing do not persevere to the end?

What are some of the manifestations of saving faith that we would expect to see in a persevering believer even when they are being tested?

How are you presently being tested?

In the midst of your testing, what evidence of your saving faith is being manifested?
