

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from February 1, 2015 God's Faithfulness in Redemption Acts 13:38-43

Observing the text

Why does Paul close with this section in Acts 13:38-41 following his teaching on the resurrection of Christ in Acts 13:26-37?

Why does Paul quote Habakkuk 1:5 to conclude his message to the synagogue in Pisidian Antioch?

Consider what the context of Habakkuk 1:5 adds to Paul's point.

What was the immediate response of the listeners? How should we understand this in light of the end of Acts 13?

Applying the sermon

Why should we expect all professing believers to persevere to the end?

How should we view those professing believers who under testing do not persevere to the end?

What are some of the manifestations of saving faith that we would expect to see in a persevering believer even when they are being tested?

How are you presently being tested?

In the midst of your testing, what evidence of your saving faith is being manifested?
