

*Valley Bible Church - Sermon Study Questions*

**Study Aid for the Sermon from March 8, 2015**  
**An Anchored Hope**  
**Hebrews 6:19-20**

**Observing the text**

Read Hebrews 6:19-20 carefully and make as many observations as possible. How do these verses fit into the flow of the passage?

In what way does the hope set before us serve as an anchor for our soul?

How can the hope set before us be described as “one which enters within the veil?”

What is the significance of the “veil?”

What is the significance of Christ having entered the veil?

Why would the author once again at this point in our text once again remind his readers that Christ's high priestly ministry was according to the order of Melchizedek?

**Applying the sermon**

What type of forces in this world are presently opposing professing believers, and threatening us with spiritual loss?

How are those forces presently threatening you?

How can you protect yourself from these forces?

Take some time now to thank God that He through the death of His Son has made it possible for you to have the certain hope of heaven, and then ask God for the grace to take hold of that certain hope until that day when you will finally enter the glory of heaven and meet Christ face to face.
