Describe the first three bowl judgments (Revelation 16:2-4):

First Bowl-

Second Bowl-

Third Bowl-

What attributes of God are highlighted in Revelation 16:5?

According to Revelation 16:6, why is God's judgment through these seven bowls deserved?

Applying the sermon

Have you ever been persecuted for your faith in Christ? What difficult circumstances are you currently facing?

How should God's future bowl judgments encourage us as we face persecution or difficult circumstances?

What do we learn about the character of God in Revelation 16:5, and how should this encourage us as we face persecution or difficult circumstances?

Knowing that these judgments are reserved for those who have rejected Christ, what is the hope for the believer in Christ (cf. 1 Thessalonians 4:13-18)? How does this hope motivate you in the church's mission to make disciples?
