

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from August 14, 2016 The Continuation of the Ministry in Corinth Acts 18:5-11

Observing the text

Why was Paul able to devote Himself completely to the word (18:5)?

What can we learn about Paul's words, "from now on I shall go to the Gentiles," based upon Acts 13:46?

Why would Luke include the information about Titus Justus and Crispus (18:7-8)?

Who were the people the Lord was speaking about in Acts 18:10?

Applying the sermon

When have you chosen to end your conversation with an unbeliever about Christ? From a biblical perspective, when should someone do such a thing?

Do you believe in Christ? If so, have you been baptized? If not, why not?

Why are people prone to fear? How does Acts 18:9-10 minister to this problem?

How does the fact that the Lord has people in our city that have yet to believe in Him affect your life?
