Authority Over Spirits
Mark 5:1-20

Observing the text

What do we know about the region of the Gerasenes (Mark 5:1-2)?

How is the demon-possessed man described?

Why would Jesus allow the demons to enter into and drown the pigs?

Why did the people urge Jesus to leave their region?

How did Jesus spread more teaching to this region?

Applying the sermon

How can we be encouraged by Christ's authority over demons?

How should Christ's authority exhort us to obey Him in all things?

What does this event teach us about the compassion of Christ?

How can we tell of God's specific work in our lives as a means of evangelism?
