

Valley Bible Church - Sermon Study Questions

Study Aid for the Sermon from February 19, 2017
The Problem Within
Mark 7:14-23

Observing the text

What topic is Jesus addressing in these verses?

Why is this such an important topic?

What did Jesus say about food in these verses?

Why was Jesus' statement about food significant?

How does this teaching change the way believers fight against sin?

Applying the sermon

Who do you blame for your sinfulness and failures in sanctification?

Why should we take full responsibility in the moments that we sin against God and others?

What evil motives and intentions of your heart have been displayed recently?

How are you putting those evil desires of your heart to death?

What evil motives and intentions of your heart have remained internal recently?

How will you destroy those evil desires before they reveal themselves externally in your life?
