The Work of Church Leaders
Titus 1:9**

Observing the text

What does it mean to hold firm to the word of God?

Why is the word of God described as trustworthy?

Why are elders required to be able to instruct in sound doctrine?

What exactly is sound doctrine?

How might elders rebuke those who contradict the word of God?

Applying the sermon

How can you tell if the Word of God is your firm commitment?

Why is it important to know that the Word of God is trustworthy?

Where has God uniquely placed you to have an impact through exhortation or instruction?

How can you make sure that God's Word is the basis of your instruction to others?

How will you plan to increase your understanding of God's Word so that you may be more equipped to refute false ideas and beliefs?
