The Wisdom of the Cross
1 Corinthians 1:22-25

Observing the text

What does it mean that Jews seek signs?

How exactly would Greeks be seeking wisdom?

How do unsaved Jews and Gentiles respond to the gospel?

How is Christ the wisdom of God?

What does Paul mean by his comparison between God and man in verse 25?

Applying the sermon

In what ways do you see unbelievers stumbling over the truths of the gospel?

In what ways do you see unbelievers mocking the folly of the gospel?

How can you be encouraged by the truth that there are people who are called by God when you proclaim the gospel?

How does the power and wisdom of Christ motivate you to give the good news to the lost?

How will the obvious contrast between God and man encourage you to stay committed to the gospel?
